

Bobo-Dioulasso

Bobo-Dioulasso is already taking climate action. Here is how you can help our city become greener, healthier and more resilient to climate change

Rethink your travel habits

USE PUBLIC TRANSPORT, LIKE BUSES, IF POSSIBLE

WALK AND CYCLE IF POSSIBLE

GIVE HOUSEHOLD WASTE TO PRE-COLLECTION OPERATORS

THROW WATER BAGS AND OTHER PLASTIC WASTE IN DUSTBINS

DON'T THROW WASTE IN STORMWATER DRAINS AND CANALS

DON'T LITTER IN NATURE, LIKE MARIGOTS, WATER BODIES OR OPEN SPACES

Keep your city clean

Save energy where possible

SWITCH OFF APPLIANCES WHEN NOT IN USE OR WHEN YOU LEAVE YOUR HOME

SWITCH TO LOW ENERGY BULBS

USE IMPROVED COOKSTOVES, SUCH AS LPG OR ELECTRICITY, INSTEAD OF WOOD AND CHARCOAL

Did you know?

BENEFITS OF CLEAN COOKSTOVES INCLUDE:

- REDUCE SMOKE AND SOOT THAT IS HARMFUL TO HEALTH
- SAVE COOKING TIME

Switch to clean cooking

Protect yourself from climate hazards and extreme weather

STAY OUT OF THE SUN AND HYDRATE DURING HEATWAVES

DO NOT WASTE DRINKING WATER, ESPECIALLY DURING TIMES OF DROUGHT

WHEN THERE'S A FLOOD, LISTEN TO THE MUNICIPAL RADIO FOR INSTRUCTIONS

Taking climate action and supporting our city's energy challenge, will lead to:

BETTER HEALTH

BETTER QUALITY OF LIFE

MORE FOCUS ON VULNERABLE POPULATIONS

MORE JOBS AND OPPORTUNITIES
